UPCOMING PROJECTS:

The Things A Girl Has To Do

We are currently in the process of looking at Hotel locations in Melbourne and Regional Victoria to shoot this *brilliant* short film created by Stuart Bauk and Bramley Finchampstead.

We will be looking for crew (and actors!) once a location has been found. The idea (at present) is to shoot over the weekend and stay at the hotel overnight, with shot lists and timelines pre-prepared (well as much as we can anyway!). If anyone is interested in participating, please feel free to email us with your details. To review the script, please visit www.rokstarrfilms.com in the projects section.

N.B. This script may undertake some minor changes prior to filming.
